BUFFALO™

MiniStation™ METRO

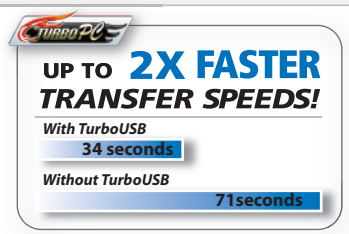
Portable USB 2.0 Hard Drive

Storage Portability and Power

HD-PXTU2

MiniStation Metro HD-PXTU2 is a compact, lightweight and feature rich portable storage solution. Equipped with Buffalo's BumperBody™ shock absorbers and rubberized chassis, the hard drive is protected from minor shocks and drops. The integrated Flex Connect USB cable ensures that you never lose your cable again. Optional hardware-based AES 256-bit encryption protects the data on your drive from unauthorized access.

Buffalo Tools suite of complimentary sofware offers valuable enhacements such as TurboPC, which increases performance by up to 2X compared to standard USB 2.0 portable hard drives. Additionally, Backup Utility offers easy backup and restore solutions for your data.



FULL DISK ENCRYPTION

SECURE HARD DRIVE PROTECTION FROM UNAUTHORIZED ACCESS

Features and Benefits

BumperBody™ Shock Protection: Shock absorbers surround the hard disk protecting it from damage

Flex Connect USB Cable: Removable, integrated USB cable snaps to chassis for pack-and-go-portability

Hardware Disk Encryption: Optional 256-bit AES Full Disk Encryption (FDE) protects your data from unauthorized access

E-Z Logon for Windows®: E-Z Logon can remember your encryption password on your computer for automatic logon

TurboPC for Windows: Increase file transfer rates by up to 2X over standard USB 2.0 hard drives

Connect and Go: Preformatted hard drive is ready for immediate use with Windows and Mac®

Buffalo's Backup Utility: Easy-to-use and comprehensive backup software for Windows PCs

Time Machine® Compatibility: Works perfectly with Time Machine to back up your Mac computer

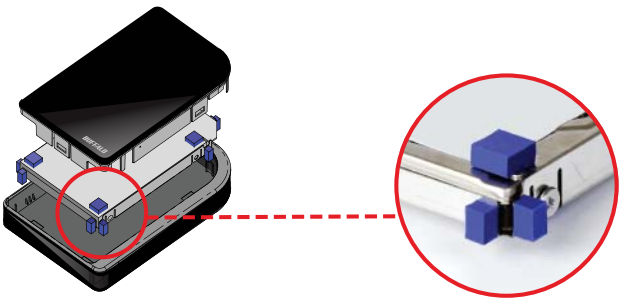
USB Powered: Perfect companion for your laptop or netbook - No external power supply needed

Eco-Minded: Energy efficiency tool conserves energy and reduces laptop battery consumption by cutting power to the hard drive during extended periods of inactivity

Picasa™ Photo Organizing Software: Organize and share your photos with family and friends on the Web

Show your Style: Choose from three stylish colors - Blue Onyx, Ruby Red, or Pearl White!

BumberBody™ Shock Protection



Slim rubberized body & shock absorbers protect the hard drive from damage

Integrated Cable Management

Flex Connect USB 2.0 Cable snaps into chassis for pack-and-go portability
